Frieze London

–

The 16th Frieze London features contemporary art from 160 galleries. Among the themed sections is *Social Work*, which celebrates women artists who challenged the male-dominated art market of the 1980s. Over at Frieze Masters, Toby Kamps curates *Spotlight*, solo presentations by avant-garde figures, and Norman Rosenthal presents *Collections*, which focuses on specialist dealers. Rosenthal is also in charge of the satellite show *A New Spirit Then, A New Spirit Now: 1981–2018* at the Almine Rech Gallery (2 October–17 November), updating his 1981 Royal Academy exhibition *A New Spirit in Painting*.
