Vaughn Spann at Almine Rech

Vaughn Spann, *The Exchange—North Star* (2020). Courtesy of Almine Rech.

Young art star Vaughn Spann recently closed his show, “Smoke Signals,” at Almine Rech’s Brussels location. Those evocative new works draw on the signs and signifiers he’s been pursuing for the past few years, including his signatures “X” motif. Made mainly during quarantine, the works have a captivating potency of color and rhythm.
