“BLACK RODEO: COWBOYS OF THE 21ST CENTURY,” AN EXHIBITION BY OTIS KWAME KYE QUAICOE AT ALMINE RECH, BRUSSELS

March 31st 2022

ALMINE RECH

For his first European solo exhibition, US-based Ghanaian artist Otis Kwame Kye Quaicoe uses bold colors and figurative shapes to excavate the untold stories of Black American cowboys. Inspired by the 'Spaghetti Westerns' he saw during his childhood, Quaicoe presents a selection of paintings and installations commemorating those history has tended to neglect.

On view now until April 16 2022 at Almine Rech, Abdijstraat 20, Brussels
