

4 New York Positively Black

March 13, 2022

POSITIVELY BLACK MARCH 13, 2022 2:10 PM

Weekly series highlighting health and education issues, social and cultural programs and services in the black community. Tracie Strahan interviews those who are making a difference.

In the past few years, there has been an explosion of interest in artwork by black artists in the contemporary art market. Weekend Today in New York's Myles Miller has the story from Christie's auction house
