“La Traversée” is a solo exhibition of works by Belgian sculptor JOHAN CRETEN marking 25 years after artist’s residency at *Villa Saint Clair* (<http://villastclair.free.fr/>) in Sète during the summer of 1991. From ceramics through sculptures in bronze to flower-covered female busts, the show investigates Creten’s symbolic practice inspired by the mysteries of nature and organic shapes. On view until January 15, 2016 at

Centre régional d’art contemporain (<http://crac.languedocroussillon.fr/>), 26 Quai Aspirant Herber, Sète.
