*** Copies of the new issue of Civilization out in the wild, as the downtown demimonde parsed through the already legendary Godhead Silo centerfold *** Chloe Wise at the opening of her first New York solo show, which features a suite of gauzy and gorgeous new paintings and sculptures of big chunks of melting butter, at the uptown outpost of Almine Rech *** Designer Joss Sackler of the blood-money-stained Sackler family donating \$600 to the GoFundMe for fashion-world bullies Diet Prada *** Playwright Jeremy O. Harris, photographed for Town & Country by Mickalene Thomas in his Green River Project LLC-designed writing room, resplendent in a full Bode fit—the story, by Erik Maza, is a must-read ***
