MUSEUM OF MUSEUMS

Apr 16 — Nov 1, 2026 | Art et Marges Musée, Brussels, Belgium

Works from the Art et marges museum collection successively transform the spaces in which they are displayed.

A botanical garden, a planetarium, an anthropological cabinet, a folklore museum... these settings unfold before the viewer like a series of temples, each infused with its own atmosphere by the Muses. Is the museum a sacred place?

'MUSEUM OF MUSEUMS' sets out to dismantle the walls we so often imagine standing between artwork and audience. Through scenographic and educational displays inspired by different museum typologies, and with objects brought out from the reserves, visitors are invited to immerse themselves in the exhibition as a total experience.

Amid the Art brut collections — between tissue paper and the scent of popcorn (come and see for yourself!) — works from the contemporary visual arts scene also appear. While the Art et marges museum may delight, for the occasion, in spotting categories everywhere, its true specialty lies in creating dialogue between them.

With works by Seyni Awa Camara, Pierre Bonvoisin, Charlotte Beaudry, Géraldine Beaupère, Bernd & Hilla Becher, Umberto Bergamaschi, Jean-Baptiste Bernadet, Alexandre Bernardi, Pascal Bernier, Ghyslain Bertholon, Anacleto Borghi, Magali Cadelli, Solène Calderon, Alejandro Cardenas, Ignacio Carles Tolra, Pierre Coene, Tony Convey, Georges Counasse, Caroline Dahyot, Michel Dave, Clément Davout, Alain Delaunay, Serge Delaunay, Michel Delannoy, Éric De Sulauze, Héléna De Vos, Yves Jules Fleuri, Mathilde Ganancia, Alain Genty, Kendell Geers, Naomi Gilon, Michel Goyon, Martha Grünenwaldt, Anne Guischer, Oscar Haus, Victor Hervijns, Safia Hijos, Michael Kagan, Carine Lacroix, Caroline Lamarche, Jeanine Lejeune, Max Levêque, Rafaela Lopez, Werner Mannaers, Godelieve Masfranckx, Pascal Masquelière, Lisa Matthys & Annelies Vaneycken, Micheline Menard, Hans Op de Beeck, Krysztof Opiola, Michel Petiniot, Ardian Ramadanovic, Kenneth Rasmussen, Miroslaw Sledz, Hajime Sorayama, Pierre Thomas, Jacques Trovic, Marie-José Van de Veegaete, Laurette Van Fleteren, Michel Vanderlinden, Johan Vanderschelden, Simon Verheylesonne, Pépé Vignes, Pascale Vincke.
