Ugo Rondinone
The evening passes like another

Oct 24 — Nov 28, 1998 | Paris

The Evening Passes Like Any Other was Ugo Rondinone's first solo exhibition with the gallery. In front of the colored and striped artwork covering the main wall of the gallery, the installation by the Swiss artist immersed the viewer into a meditative atmosphere. Since 1998, Ugo Rondinone has had seven solo exhibitions with the gallery.
