

Kim Tschang-Yeul

La Goutte et le Trait

Apr 14 — Jul 30, 2023 | Musée Cernuschi, Paris, France

The Cernuschi Museum is set to showcase an exhibition honoring the renowned artist Kim Tschang-Yeul (1929-2021), who held a prominent position in both contemporary Korean art and the global art scene. Recognized internationally, Tschang-Yeul gained acclaim for his mesmerizing trompe-l'oeil depictions of water droplets. The upcoming exhibition, titled "The Drop and the Line," will specifically focus on the Chinese characters that recurrently appear alongside this motif throughout the master's body of work.
